

Waste Management at ASHE

Waste Management will be attending the 48th Annual ASHE Conference Technical Exhibition

SEATTLE, WASHINGTON — July 17-20, 2011 — The American Society for Healthcare Engineering is hosting their 48th annual conference. Waste Management will be located at booth 613 and representatives Waste Management's healthcare experts can guide you to a host of sustainable solutions that minimize waste, safeguard patients and staff, and optimize savings in every area of operation. This event is beneficial for all individuals working in the healthcare management profession.

This year's conference will feature:

- Concurrent sessions addressing topics in the areas of compliance, health facility commissioning, PDC and operations allowing attendees to pick the sessions that meet their needs and interests
- Case studies that illustrate real-world solutions that attendees can use
- Ideas to help facilities increase energy efficiencies
- Updates on NFA 99, NFPA 101, ASHRAE 188 and the new ICC healthcare code project
- The Joint Commission Update featuring George Mills, FASHE, CEM, CHFM, and the Codes and Standards Panel moderated by Douglas Erickson, FASHE, CHRM, CHC
- Formal and informal networking opportunities
- The largest trade show of its kind, with more than 1,200 products and services on display

Waste Management is hosting a dinner meeting to review our sharps recycling program. Please contact your Waste Management representative for details.
