**Waste Management of Sierra Vista Collects Toys, Food for Less Fortunate**

**Sierra Vista, AZ---January 1, 2009**—Waste Management employees at Sierra Vista Hauling went above and beyond this holiday season. The team found several ways to help the community during this trying holiday season.

Employees participated in the Salvation Army's holiday angel program, and collected several toys for less fortunate kids. They also joined forces with the kids at Huachuca City School and collected more than 2,000 items of food. The items were donated to the Children's Crisis Center and the local senior center.
