

WASTE MANAGEMENT OF ANTELOPE VALLEY

Landfill Tours

Let Us Teach You How to Think Green!

Environmental education is important to the communities we serve. The Palmdale and Lancaster Landfill's have been operating more than 40 years in the Antelope Valley and promote many sustainable programs that encourage you to become better stewards of the environment.

What am I going to see?

- Visit our trash area and see why we need think twice about reducing our waste.
- Get a behind the scenes look at our recycling programs and test your knowledge of what can go in a recycling container.
- Learn about the many ways we are closing the loop and the need to reduce, reuse, and recycle.
- Explore how we are protecting the environment and why it's important that you do too!
