Household Hazardous Waste

It is unlawful to place hazardous waste, including batteries, compact fluorescent light bulbs and cell phones, in your trash container. Alameda County has a free drop-off facility in Oakland where you can safely dispose of hazardous materials, such as paint, pesticides & solvents. Batteries and fluorescent bulbs are accepted at the Household Hazardous Waste Facility. For more information visit www.household-hazwaste.org or call (800) 606-6606.

Home Depot

Home Depot currently accepts compact fluorescent bulbs (CFLs) and batteries.

Small Batteries and Cell Phones

Emeryville residents may place used household batteries (no rechargeable batteries) into a clear bag and tape on top of gray recycling cart. To find a rechargeable battery and cell phone drop off location near you, visit www.call2recycle.org.
