Electronics	Drop off at McCourtney Road Household Hazardous Waste Facility. E-Waste drop off open Wednesday - Sunday 8 a.m. to 3:30 p.m.		
Household Batteries	Batteries can be placed in a clear, sealed plastic bag and left on top of customers' recycling carts for curbside pickup. Only household batteries accepted. Automotive batteries and lithium ion batteries ARE NOT accepted.		

Americans generate about 25 percent more trash during the holiday season (Thanksgiving to New Year's Day) than at any other time during the year. Please help us reduce waste this year. Reusable plates, napkins, utensils and glasses can help reduce waste as does sorting materials correctly before you place in your carts. Follow these simple rules and most importantly, have a happy holiday!
