**Public Notice**

Date of Notice: July 5, 2011

***Notice of Solid Waste Facilities Permit Modification***

**Facility Name:** Waste Management of Orange Transfer Station

**Facility Address/Location:** 2050 Glassell Avenue, Orange, CA 92865

**Solid Waste Facility Permit No.:** 30-AB-0363

**Date LEA Received Application:** April 8, 2011

**Date LEA Approved Application:** May 6, 2011

**LEA Findings per §21665(c):** The LEA finds that the proposed changes are consistent with all CEQA documents; is acceptable and consistent with all state minimum standards; and the proposed changes do not conflict with the existing solid waste facility permit (SWFP).

**Description of Proposed Changes:** Waste Management of Orange Transfer Station proposes to replace old equipment with new recycling equipment to process single stream recyclables. The new equipment will be semi-automated, and along with hand-sorting, will separate the recyclables into their various individual commodities and bale or store them for shipment to third-party processing facilities. All recyclable processing activities will occur within the transfer station buildings at the facility. The facility permit will be modified to reflect current solid waste regulations and LEA conditions.

**Availability of Additional Information:** A copy of the modified permit may be reviewed at County of Orange Environmental Health Department. 1241 E. Dyer Road, Santa Ana, CA 92705. Please call (714)-433-6000 to schedule an appointment to review the application.
