Trash and recycling services delayed one day in observance of Labor Day

**Orange County, Calif. - Aug. 25, 2014** - Waste Management of Orange County's curbside residential trash and recycling pick-up schedule will be delayed by one day throughout the week of Sept. 1, in observance of Labor Day. In addition, all Waste Management of Orange County operations will be closed, including transfer stations in Irvine and Orange, on Monday, Sept. 1, with normal operations resuming on Tuesday, Sept. 2.

Customers in the following updated cities list should place their carts out for pick-up one day later than usual, beginning Tuesday, Sept. 2 through Saturday, Sept. 6:

- Santa Ana
- Irvine
- La Habra
- Laguna Beach
- Mission Viejo
- Communities in unincorporated Orange County, including Coto de Caza, Cowan Heights, Emerald Bay, Las Flores, Lemon Heights, Modjeska Canyon, North Tustin, Orange Park Acres, Silverado Canyon and Trabuco Canyon

"We appreciate our customers' cooperation with the holiday schedule so that our dedicated employees can spend time with their families," said Darrell Kato, director of operations for Waste Management of Southern California. "We also want to thank our employees for their contributions towards protecting the environment. From our drivers who pick up the materials we process to our sustainability experts who advise customers on how to create and maintain the greenest businesses, thank you."

For further information, please contact customer service at 866-967-3292.

## ABOUT WASTE MANAGEMENT

Waste Management, Inc., based in Houston, Texas, is the leading provider of comprehensive waste management services in North America. Through its subsidiaries, the company provides collection, transfer, recycling and resource recovery, and disposal services. It is the largest residential recycler and also a leading developer, operator and owner of waste-to-energy and landfill gas-to-energy facilities in the United States. The company's customers include residential, commercial, industrial, and municipal customers throughout North America.
