Unauthorized removal of recyclables from a curbside container is a crime.
Call the Sacramento County Sheriff's Department at 916-874-5115 if you see this happening.

BASIC SERVICE INFORMATION

Container Set-Out Instructions: Containers placed too close to each other requires drivers to leave their automated trucks to provide service. This greatly reduces efficiency and may lead to increased service costs. For the very best possible service, please:

- Place containers at streetside so they do not block pedestrian use of the sidewalks.
- Place containers at least three (3) feet away from each other.
- Keep containers a minimum of six (6) feet away from cars, boats and other stationary objects to avoid risk of private property damage.
- Place containers at streetside so handles face your residence.
- **Containers must be at streetside no later than 6:00 a.m. on your scheduled collection day, holidays included. Please return your containers to your yard after they are serviced. This keeps streets clear and improves the appearance of your neighborhood.**

- Smaller containers are available. Please call 916-875-5555, Monday – Friday, 8 am – 4:30 pm, to make this change.
- To avoid spills and neighborhood litter, CONTAINER LIDS SHOULD BE CLOSED.
- Do not overfill your containers.

Collection Schedule: Information about collection schedules for garbage, green waste, and mixed recycling is listed on the calendar inside this mailer. If you do not know your collection day, please call Customer Service at 916-875-5555, Monday – Friday, 8 am – 4:30 pm, or visit SacGreenTeam.com.

Customer-Scheduled Bulky Waste Pick-up:

At no additional cost, you can receive a once-per-calendar year pick-up of your bulky waste items. To schedule this service, please call 916-875-5555, Monday – Friday, 8 am – 4:30 pm.

- Specialized trucks will pick-up your appliances, e-waste, and universal waste (common household batteries, fluorescent bulbs, etc.) items. Please keep these items separate from your other bulky waste pile.
- Items may be picked up at different times, but on the same day.
- Keep all items six (6) feet away from cars or other stationary objects.
- Extra residential material is allowed at a cost of \$25 per five (5) cubic yards.
