

RECYCLING & ORGANICS MANDATES

California law requires certain commercial businesses and multifamily properties to have recycling collection services. We've made it easy to see if your property is required to provide these collection services.

RECYCLING

Many businesses and multi-family properties with five units or more are required to have a recycling program. To meet this requirement, you can sign up for recycling collection services at NO additional cost to your trash services through Waste Management. If you are unsure if your business or multifamily complex is subject to this law, please call the City at (916) 617-4590.

ORGANICS RECYCLING

Many businesses and multifamily properties are required to have an organics recycling program. To meet this requirement you can call Waste Management to add organic recycling service. If you are unsure if your business or multifamily complex is subject to this law, please call the City at (916) 617-4590.

ADDITIONAL MULTIFAMILY SERVICES

BULKY CURBSIDE PICK UP

Residential property owners are eligible for two (2) bulky waste collection appointments per year (July - June). Eligible items include furniture, mattresses/box springs, electronics, tires (limit 4), small and large appliances, rugs, etc. Limits apply.

Call Waste Management at (866) 844-1508 to create a bulky pick up plan for your multifamily property.

AT YOUR DOOR HHW SERVICE

Waste Management's "At Your Door Special Collection" Program provides residents curbside collection of household hazardous waste. Visit www.wmatyourdoor.com for a list of acceptable items, view set out instructions and schedule a pick up. This service is free of charge.

Businesses are not eligible for this service.
