Regular Trash

Trash (regular household waste)

Do not place rocks, concrete, dirt, recyclables, green waste, hazardous waste, or electronic waste in your container.

Tips for reducing the use our natural resources

- o Use a durable mug or glass instead of a disposable cup.
- o Switch off computer monitors and lights when you leave for lunch or meetings. Screen savers do not save energy.
- o Reuse items in good condition, donate what you don't need.
- o Use environmentally-friendly materials such as used newspaper for padding instead of bubble wrap or foam peanuts when shipping materials.
- o Reduce your office paper usage by always printing double-sided, using the print preview function and only printing what you need.

Holiday Schedule

When these holidays, New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day, fall on a weekday, collection will be one day later for that day and the remainder of the week. All other holidays will follow the regular schedule.

Bulky Item Pickup

WM offers this added value service for items that cannot fit in your cart (furniture, appliances, etc). Call to schedule an appointment. Items must be placed at curbside. Pickups are scheduled on the day of your regular trash pickup.

Extra Services

Extra carts, insta bins, roll-off boxes, and storage bins are available for an additional charge.

Did you know?

- o Maximum weight of carts is 220lbs when full.
- o Pack materials loosely so the container will empty easily.
- o Resident should place carts out at curbside no earlier than 6:00 p.m. the evening before, but prior to 6:00 a.m. the morning of scheduled pick-up.
- o Carts should be placed 1 1/2 feet apart and 3 feet from any obstruction (vehicle, mailbox, etc.) with the lid opening facing the street. Cart lids must close.
- o Carts must be stored out of public view between collection days.
