

Waste Management's Free Clean Up Day Available to Moorpark Residents

March 08, 2011, Simi Valley, Calif. - Moorpark residents are invited to drop off their extra trash and bulky items free of charge and donate "gently used" items at the Simi Valley Landfill and Recycling Center on Sunday, April 17 during the first round of free residential days this spring.

"This is a great time for residents to get a jump start on spring cleaning. Waste Management's free program encourages residents to properly dispose or recycle unwanted items in an effort to keeping our communities clean", said Lisa Hemenway, Community Relations for Waste Management.

The Moorpark free day will begin at 10 a.m. and ends at 4 p.m. Residents can bring non-hazardous, residential trash and greenwaste items. Certain items, including household hazardous waste will not be accepted. Please visit <http://www.keepingventuracountyclean.com/> for a full list of non-acceptable items and information where these items can be properly disposed.

Goodwill will be accepting gently used items and electronic waste, including televisions, computers, and monitors. For a complete list of Goodwill's wish list, visit <http://goodwillvsb.org/donatotgoodwill/donationguidelines.html>

To help minimize delays, Waste Management requests that visits to the landfill follow these guidelines:

- Be ready with valid identification to show proof of residency to cashier.
- All loads must be tarped pursuant to California State Law.
- All loads are subject to inspection.
- All commercial vehicles are subject to applicable rates unless prior arrangements have been made.

To encourage recycling efforts and reduce the amount of waste entering the landfill, designated areas and containers will be available for easy recycling. There will be separate unloading areas for concrete, asphalt, greenwaste, and construction and demolition waste. Containers will be available to drop-off and recycle metal items, paper and cardboard.

The next spring event for Simi Valley residents is set for Sunday, May 15 from 10 am to 4 pm. The Simi Valley Landfill and Recycling Center is located at 2801 Madera Road in Simi Valley. If you have any additional questions, please call at (805) 579-7267 or visit our web site at www.KeepingVenturaCountyClean.com.
