

Belen Hidden Gems Frequently Asked Questions

What is Belen Hidden Gems?

Belen Hidden Gems is a program created by Waste Management of New Mexico to recognize people who display positive attitudes and pride in their work doing tasks that often go unnoticed. Members of the community can nominate people who live or work in Belen online at www.wm.com/belen.

Who is eligible to be nominated?

Anyone who lives or works in Belen.

How will winners be chosen?

We believe that everyone nominated is a winner. However, seven nominees will receive special recognition, chosen by a panel comprised of community leaders.

What do they receive?

Seven nominees will receive a \$100 gift card for the Belen business of their choice, an awards dinner and will be featured in a special advertisement in the Valencia County News-Bulletin.

When will featured nominees be announced?

Selected nominees will be notified mid-April. A public announcement will be made in the Valencia County News-Bulletin April 28.

I don't have internet access. Can I still nominate someone?

Nominations can only be accepted online. Consider enlisting the help of a friend or relative with internet access to submit on your behalf.

I still have a question. Who can I contact?

Send us an email at FourCornersCommunity@wm.com.
