

April 25, 2019

Dear Neighbor,

This letter is an invitation to attend a public information open house hosted by Autumn Hills Recycling and Disposal Facility (RDF).

The open house is designed to provide you with more information about the landfill and a proposed deep injection well for the safe and reliable management of landfill leachate at Autumn Hills. This event, which will be held at the location and time noted below, is an open forum, allowing you to attend at your convenience during the allotted time. We'll have several team members there to answer questions and provide details on the proposed project.

**Wednesday, June 5, 2019 – 6 to 8 p.m.**

Zeeland Charter Township – Lower Event Room  
6582 Byron Road  
Zeeland, MI 49464

Some background information on the landfill and proposed project is included in the attached fact sheets for your review. There is also a website available ([autumnhillslandfill.wm.com](http://autumnhillslandfill.wm.com)) with details about the landfill, the proposed deep injection well project and frequently asked questions and answers.

Feel free to reach out to us at Autumn Hills at 616-688-5777 or [AutumnHills@wm.com](mailto:AutumnHills@wm.com) with any questions. We look forward seeing you at the event.

Sincerely,

A handwritten signature in black ink that reads 'Fred Sawyers'.

Fred Sawyers, Area Disposal Manager  
Autumn Hills RDF
