

# Manager's Letter

March 2012

Dear Neighbours:

In this week's newspapers in Napanee, Belleville and Kingston, you will see an advertisement of the Notice of Commencement, which marks the official start of the Environmental Assessment (EA) for a new landfill footprint at our proposed Beechwood Road Environmental Centre. You will also see an advertisement for our first public Open House on the EA. This information is attached to this letter.

We will be holding another session specifically for you, our neighbours, before the first public Open House. In this session, we will explain the proposed EA process. We will also note any questions or concerns you may have and address them as the process moves forward. This neighbours' session will be held on March 26th, from 4p.m. to 8 p.m. at our offices at 1271 Beechwood Road.
