

# HIGH ACRES SPORTS COMPLEX

The High Acres Sports Complex is a state-of-the-art space for youth football, baseball, and box lacrosse. These facilities are provided at no cost and fulfill a need for many sports organizations in our community. The complex touches the lives of more than 5,000 kids and family members each year!

In conjunction with Upstate NY Sports, we have recently upgraded our facility by repurposing donated items including turf from the Rochester Nighthawks, hockey boards from the Minnesota Wild, and construction materials from local projects.
