

**STATE OF NEW YORK
DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

NOTICE OF EXTENDED PUBLIC COMMENT PERIOD

CWM CHEMICAL SERVICES, L.L.C.

In response to a number of written requests, the New York State Department of Environmental Conservation (NYSDEC) is hereby announcing the extension of the public review and written comment period for the Air State Facility permit No. 9-2934-00022/00233 modification application submitted by CWM Chemical Services, L.L.C (CWM) for its facility located at 1550 Balmer Road in Model City, NY. This comment period is being extended to allow the public more time to review this modification application and the Draft Permit prepared by the NYSDEC. The written comment period which was originally to expire on September 22, 2017, is being extended an additional 30 days, and will now extend through October 23, 2017.

The action involves a modification to the existing permit to authorize discharges related to construction and operation of a proposed hazardous waste landfill, referred to as Residuals Management Unit - Two (RMU-2). Permit applications and supporting documents may be reviewed at the following locations:

- Youngstown Free Library, 240 Lockport Street, Youngstown;
- Ransomville Free Library, 3733 Ransomville Road;
- Porter Town Hall, 3265 Creek Road, Youngstown;
- Lewiston Public Library, 305 South 8th Street, Lewiston; and
- Model City website at: <http://modelcity.wm.com/index.jsp>
