

Consider this announcement when introducing a new recycling program at your property.

New Recycling Program Announcement

Recycling Now Available!

We are pleased to announce that we are adding recycling service for residents and are launching a new building-wide recycling program.

We are counting on you to get this new program off to a good start! Please remember these three, simple rules:

Recycle all empty plastic bottles, cans and paper.

Keep foods and liquids out of the recycling.

Keep plastic bags out of the recycling bin.
NO BAGGED RECYCLABLES

Take plastic bags back to your local grocer.

Recycling container(s) are now located next to each of the building's garbage containers. Recycling containers are marked with a sticker that explains what you may place in the recycling. To make it easier for you to participate in the recycling program, you will receive the following tools and resources:

- Recycling guidelines will be distributed to all units.
- Recycling tote bags, to help you take recyclables from your residence to the outdoor recycling container.

Please contact **your** property manager with any questions. Thanks for your help to Recycle Often. Recycle Right.SM
