

NEW RECYCLE RIGHT REUSABLE TOTE BAG

from Waste Management

Buy this handy reusable bag to collect recyclables at home, in the kitchen or office, or wherever you recycle materials.

Always know what materials go in your recycling bin as the Recycle Right guidelines are printed right on the bag. Just remember to recycle empty bottles, cans, paper and cardboard – that's it!

- The reusable bag is 18" W x 12" H x 12" D. Made from strong, durable laminated material, you can easily wipe it clean and rinse.
- The bag has sure-grip handles for easy transporting to your final recycling container.
- Made from recycled materials so you're closing the sustainability loop each time you purchase this bag.
