

TREAT OUR NEW REUSABLE RECYCLING BAGS WITH CARE

Out with plastic bags and in with Reusable Recycling bags!
We need your help to keep the reusable bags clean.

- Be sure to empty all liquid from the bottles and cans you recycle.
- Never place any food in the recycling - dispose of food in the trash or compost it where available.
- Keeping the reusable recycling bags clean and dry will ensure they last a long time.

Recycle clean bottles, cans, paper, and cardboard.

Keep food and liquid out of your recycling.

No loose plastic bags and no bagged recyclables.
