

A photograph of a front door with a dark wood finish and a small arched window. To the left of the door is a window with white trim. Two potted plants in terracotta pots are on the left side of the door. To the right of the door, a large clear plastic bag filled with various household items like bottles and containers sits on the sidewalk. A green banner is overlaid on the top left of the image.

WM's At Your Door Special Collection® Service

Safe, Sustainable Collection from the Convenience of Your Front Door

Customers can safely and properly get rid of hard-to-recycle items and household hazardous waste year-round from the convenience of their front door with WM's At Your Door Special Collection® Service.

Most Common Items Disposed of With Every Collection

Automotive Products, Batteries: Household, Cell Phone and Vehicle, Electronics, Flammable Items: Kerosene, Gasoline, Solvents, Fluorescent Light Bulbs, Garden Chemicals, Household Cleaners, Mercury Containing Devices: Thermometers and Thermostats, Paint and Stain Products, Syringes and Lancets,* Swimming Pool Chemicals

How to Schedule a Home Collection

- Schedule the collection of unwanted and hard-to-recycle items online at wmatyourdoor.com. If a containment bag is required, a collection kit will be mailed before the scheduled collection. (Weekday pickups only. Restrictions apply. Visit wmatyourdoor.com for details.)
- Place loose items and containment bag near the front door or street-facing garage before 7 a.m. on collection day for pickup by Service Technicians.
