WM Residential Service Discounts and Service Offerings

WM and the City of California City are committed to helping residents manage costs while staying compliant with California State Senate Bill (SB) 1383.

Required Service

Per California State Senate Bill (SB) 1383, City of California City residents are required to have three containers for service and are not eligible for waivers.

- Trash Service (black lid) weekly.
- Recycling Service (blue lid) every other week.
- Organics Service (green lid) weekly.

Discounts Available

While all three containers are required, residents can lower their bill by reducing their trash service level and/or applying for the CARE discount.

Pay-As-You-Throw (Super Saver Program)

The Pay-As-You-Throw Super Saver Program lets you lower your monthly bill for choosing a smaller trash cart and recycling more. By switching your standard 96-gallon trash cart to a 64- or 35-gallon cart, you can receive up to a 20% discount. Recycling and organics containers still remain the same standard sizes.

2026 – 2027 Residential Trash Rates	
96-gallon Standard Service	\$43.24 monthly/billed quarterly
64-gallon Super Saver	\$40.41 monthly/billed quarterly
35-gallon Super Saver	\$36.73 monthly/billed quarterly

You can request to change your trash cart size by logging into your My WM account or chatting with Customer Support online.

- Manage your account at wm.com/mywm
- Chat with Customer Support at wm.com/support

California Alternate Rates for Energy (CARE)

Residents experiencing financial hardship who are enrolled in the California Alternate Rates for Energy (CARE) program through their electric or gas utility may also qualify for a 20% discount on residential trash service.

2026 – 2027 Residential Trash Rates with CARE Discount		
	Standard Rates	CARE Rates
96-gallon Standard Service	\$43.24	\$34.59
64-gallon Super Saver	\$40.41	\$32.01
35-gallon Super Saver	\$36.73	\$29.38

To apply, email a copy of your utility bill showing CARE enrollment to wmcserv@wm.com.
