## Residential Trash, Recycling & Organics Service Guide

### Dear Residents of Chino:

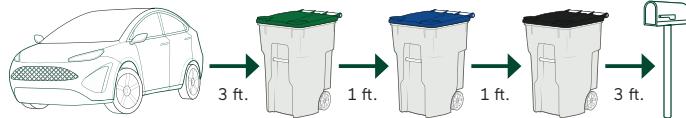

WM is proud to be your service provider. We look forward to providing you with a courteous and dependable curbside collection and helping to keep Chino safe, clean and green. For this information in Spanish and Mandarin, please visit [home.wm.com/Chino](https://home.wm.com/Chino)

#### Residential Cart Service

WM's standard residential service includes a 96-gallon cart for recycling, organic waste (formerly green waste), and trash. To avoid contamination, be sure to check the lid or label for proper use instructions.

#### Service Guidelines

Place your carts at least 3 feet apart and 3 feet away from obstacles to allow the automatic arm to lift and empty the cart. Place the wheels of the cart toward your house.

- Place all trash, recyclables, and organics material in the appropriate containers and make sure that the cart lid is closed.
- Any trash, recyclables, and organic waste outside the cart will not be collected.
- Have your carts at the curb the night before or no later than 6 a.m. on your collection day.

#### Additional Carts & Cart Replacement

Additional trash, recycling, and organics carts are available for a nominal fee. If your cart is cracked or broken, you are eligible for a free replacement. Visit home <https://www.wm.com/us/en/location/ca/chino/trash-pickup-chino-ca> or [home.wm.com/Chino](https://home.wm.com/Chino) to request an additional cart or replacement.

#### Holiday Schedule

Waste collection does not occur on the following holidays:

**New Year's Day | Memorial Day | Independence Day**  
**Labor Day | Thanksgiving Day | Christmas Day**

If a holiday falls on a weekday, collections for the rest of the week will be pushed back a day. For example, for a Thursday holiday, service would be on Friday, and Friday service would be on Saturday. For holidays on Saturday or Sunday, there are no delays.

#### Bulk Item Collection

WM offers a convenient collection of up to six (6) bulk items three (3) times a calendar year on your regular collection day. This is an easy and convenient way to dispose of items too big to fit in your curbside container. Collection must be scheduled at least 48 hours before your regular collection day. Additional bulk item pickups are available at a nominal cost.

- Acceptable items include household appliances, furniture, carpet, and televisions.
- Non-acceptable items include loose trash, tires, dirt, sand rock, hazardous waste, or construction and demolition waste.

For a complete list of acceptable bulk items and to schedule your pickup, visit <https://www.wm.com/bulky>.

## Household Hazardous Waste Drop Off

San Bernardino County residents can drop off their household hazardous waste items (household cleaners, garden and pool chemicals, paint products, antifreeze, motor oil, oil filters, and more) on the second (2nd) and fourth (4th) Saturdays of each month from 8 a.m. to 1 p.m. at the City of Chino Public Works Service Center, 5050 Schaefer Avenue, Chino, CA 91710. ## Disposal of Used Motor Oil

WM offers collection of residentially generated used motor oil (not to exceed two gallons per week). All used motor oil must be placed in a screw-top container to avoid spills and for easy removal.
