ADDITIONAL INFORMATION

Food Waste Collection

SB1383 requires all state residents and businesses to collect and separate organic materials such as food scraps, food-soiled paper and landscape trimmings into one organics container. Nevada County residents are now asked to place their food scraps and food-soiled paper in their existing or newly delivered green cart.

Bear-Resistant Cart Service

A bear-resistant cart is designed to discourage bears from scavenging inside the container. These wildlife-resistant carts can be purchased from a number of local retailers. Upon purchase, call customer service to set up Bear Cart service for an additional small fee.

Reuse Center

The McCourtney Road Transfer Station Reuse Store offers free automotive oil, house paint, household cleansers and more. The products are free and many are unopened or nearly full. The reuse center is located at the McCourtney Road Transfer Station. (address listed to the right)

Single-Stream Recycling & Clear Bags

Bags are not acceptable in your recycling cart. Please keep recyclables loose. Do not place recyclables in clear bags. Plastic shopping bags are accepted at many grocery stores in Nevada County, where you may recycle these safely.
