

ADDITIONAL INFORMATION

SERVICIOS ADICIONALES

AVOID CONTAMINATION & OVERAGE CHARGES

EVITE CARGOS POR REBASE

Surcharges will be implemented when contamination and overfilled carts or bins are found (after two warnings). These surcharges help offset costs associated with processing and disposing contaminated materials. Visit hayward.wm.com for the latest service rates.

WM uses WM Smart TruckSM Technology to photograph overfilled carts and contaminants in your curbside carts and bins and will send a notification. See included sorting guide to ensure you are recycling right.

If you regularly have excess materials, call WM at 510-537-5500 to increase your cart, bin size or frequency of service.

SAFE DISPOSAL OF HAZARDOUS WASTE:

ELIMINACIÓN SEGURA DE DESECHOS PELIGROSOS:

Visit StopWaste.Org or call 1-800-606-6606 for more information on small business hazardous waste service.

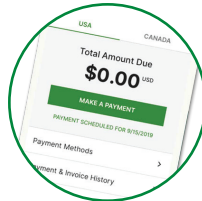

Para más información, visite StopWaste.org o llame al 1-800-606-6606.

MANAGE YOUR ACCOUNT ONLINE AT WM.COM

ADMINISTRE SU CUENTA EN WM.COM

Log into or register a My WM account to pay bills, access pickup and holiday schedules, save a payment method, enroll in autopay or paperless billing, set notification preferences, and more.

CART & BIN SET-OUT REGULATIONS

REGLAMENTOS DE COLOCACIÓN DE BOTES Y RECIPIENTES

Carts or bins may not be placed curbside earlier than 6:00 a.m. the day before the regular collection day. Carts must be retrieved and placed on private property and out of view from the street no later than midnight on your scheduled collection day (HMC 5-1.15).

RECYCLING MANDATES

ORDENANZAS DE RECICLAJE

California state law (SB 1383) is intended to help keep compostable materials out of landfills. In Alameda County, the **Organics Reduction & Recycling Ordinance** will help residents and businesses comply with the new state regulations.

For more information or to request free help, visit: www.StopWaste.org/Rules.

PROPERTY OWNERS MUST:

- Ensure that tenants have the required services
- Subscribe to the required collection services
- Provide indoor containers for temporary storage, as well as signage on or near those containers
- Annually provide collection requirements to tenants, employees and contractors

Recyclable and organic materials must be placed in the designated outdoor containers. Please do not place these materials in the green metal trash bin or burgundy cart.

Printed materials available at no charge include labels for your containers and posters for reference by employees or patrons.

TOOLS AND SUPPORT

On-site Technical Assistance and Recycling Education

WM trained experts can help you right-size your service according to the amount of trash, recycling and organics generated in your building. Businesses can schedule an on-site or virtual recycling education training for staff. Call WM customer service at 510-537-5500 for assistance or to arrange a site visit or training.

Indoor Container Grants

Grant funds may be available (up to \$500 per business) to buy indoor containers for separate storage of organics.

Visit portal.stopwaste.org/freebins to apply.

BUSINESS GUIDE TO RECYCLING SERVICES

GUÍA PARA SERVICIOS DE RECICLAJE COMERCIAL

Waste Management of Alameda County, Inc.:
