New Solid Waste Services: Enhanced Sustainability and Convenience for Moorpark Residents

The City of Moorpark recently entered into a new Solid Waste Handling Services contract with WM, effective January 1, 2025. This updated agreement includes additional services and revised rates designed to better meet the community's needs and comply with changes in state law. These enhancements aim to improve waste collection efficiency, provide more options for recycling and organic waste, and offer residents an expanded program for the convenient disposal of bulky items, among other services. Together, the City and WM are committed to ensuring that residents have access to safe, reliable, and sustainable waste management solutions.

New Services for 2025!

Bulk Item Collection Expanded

Bulk Item Collection now includes single and multi-family homes. Collection is three (3) times per year with up to four (4) items each pickup. Visit home.wm.com/moorpark to schedule your bulk pick up.

Sharps Disposal By Mail
