ADDITIONAL INFORMATION

SB 1383 Update

SB1383 requires all state residents and businesses to collect and separate organic materials such as food scraps, food-soiled paper and landscape trimmings into one organics container. However, the McCourtney Road Transfer Station does not have the infrastructure to accommodate segregated food waste, the County is currently working on a project to address this. In the meantime please continue to place your food scraps and food-soiled paper in the trash and your landscape trimmings in your yard waste container.

Bear-Resistant Cart Service

A bear-resistant cart is designed to discourage bears from scavenging inside the container. These wildlife-resistant carts can be purchased from a number of local retailers. Upon purchase, call customer service to set up Bear Cart service for an additional small fee.

Reuse Center

The McCourtney Road Transfer Station Reuse Store offers free automotive oil, house paint, household cleansers and more. The products are free and many are unopened or nearly full. The reuse center is located at the McCourtney Road Transfer Station. (address listed to the right)

Bag & Tag Stickers (FOR HOUSEHOLD TRASH ONLY)

Excess waste contained in a 32-gallon garbage bag (max. weight 40 lbs.) can be placed at the curb by using one of the 12 stickers (mailed annually). Max 3 bag limit per pickup day. Place bag next to trash cart on your normal service day. While you may still use any stickers remaining from the previous year, please note that they will be valid only for household trash and may not be used for recycling or green waste.

Vouchers

Customers that are current with their bill can access the McCourtney Rd. Transfer Station for free disposal of up to two cubic yards of solid waste one time per year. Must present voucher.

Single-Stream Recycling & Clear Bags

Bags are not acceptable in your recycling cart. Please keep recyclables loose. Do not place recyclables in clear bags. Plastic shopping bags are accepted at many grocery stores in Nevada County, where you may recycle these safely.
