

Holiday Recycling Wrap-up

Visit oaklandrecycles.com/holidays for more holiday recycling tips.

Compost Your Holiday Tree

- Tree pickup until January 16, 2026
- Place trees at the curb on your service day
- Trees must be clean: no stands, nor ornaments, no flocking

NO STANDS

NO ORNAMENTS

NO FLOCKING

Flocked trees cannot be composted; cut flocked trees down and dispose in your trash cart or use bulky drop off service (see reverse side).

And Now It's Time for A Breakdown

Break down boxes to avoid overfilling your recycle cart.

- Flattened cardboard boxes should be no larger than 3ft x 3ft.
- Place in your recycle cart or bundle with twine and place next to your cart.
- Separate plastic film or foam from cardboard and place plastic film and foam in your trash.

Visit OaklandRecycles.com/single-family-homes for more information about other services.

Recycle Used Household Batteries

- Put used batteries in a clear sealable bag.
- Place the sealed bag on top of your recycle cart on pickup day.

Include only household dry-cell batteries such as alkaline, button cell, or ni-cadmium.

Consumer batteries can short-circuit if their ends come in contact with one another. Place button-cell and ni-cadmium batteries in separate, clear zip-lock plastic bags and tape ends of batteries to prevent fires.

Disposing of the batteries in your recycle cart can cause fires in the recycle truck or sorting facility.

Got Unwanted Appliances or Electronics?

These items do not belong in your trash, recycle, or compost cart. Choose from the options below to prevent environmental and fire hazards that result when electronics are disposed of incorrectly.

Reuse

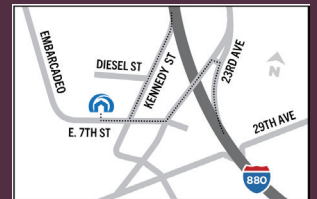

Many common household appliances can be reused, repaired or recycled. Search RE:Source, StopWaste's on-line guide to reuse, repair, and recycling just about anything. It contains information on reuse organizations and drop-off locations. Many of the locations also sell used items. Visit resource.stopwaste.org.

Scan me to search.

Household Hazardous Waste Facility

Take consumer electronics, small appliances, and other hazardous materials like paint, chemicals and solvents to the Household Hazardous Waste Facility at 2100 East 7th Street, Oakland. Drop offs are limited to 15 gallons/125 pounds per vehicle. Call (800) 606-6606 or visit www.stopwaste.org/at-home/household-hazardous-waste for days and hours of operation.

Bulky Junk Drop Off and Pickup Services

Bulky junk services are available to owners and renters and included for no additional cost with your trash service. Schedule an appointment by calling WM directly at 1-888-WM-BULKY (1-888-962-8559) or visit OaklandRecycles.com/Bulky for more information and online scheduling.

Drop Off Services

Bring up to 4 cubic yards of bulky waste, including appliances and consumer electronics to the Davis Street Resource Recovery Complex in San Leandro.

You can also drop off used appliances and electronics at anytime to the same location for a fee. For a list of acceptable materials and disposal rates visit DavisStreet.wm.com.

Curbside Pickup Service

You can set out consumer electronics and up to two large appliances. In addition you can set out up to 4 cubic yards of bulky waste and a limited number of other items for bulky curbside pickup.

Residents in a 1-4 unit property can schedule a second curbside pickup 45 days after their first curbside pickup and use of the bulky drop off.
