CITY OF OCEANSIDE
Alternative Service Location (Walk-Out Service) for Recycling and Trash Collection

The City of Oceanside and Waste Management of California, Inc. (WM) are now offering free cart walk-out assistance service for qualifying senior and disabled residents.

Walk-out services, provided by WM drivers, can help residents who are not able to take their cart to and from the curb for collection and have no abled capable person living with them who can move his or her carts to the curb. Participants must keep their pets (e.g. dogs) in doors or behind the gate of the residence for driver's safety. Carts will be collected from the original location where residents regularly store them.

To qualify, a resident must be unable to move his or her carts to the curb and have no one living with them who can do the same, AND:

1. Complete the Application for Free Walk-out Service (see page 2); and
2. Complete the Release of Liability Form (see page 3); and
3. Submit a copy of the resident's current, unexpired DMV -issued placard or license plate/registration (will be required annually); and
4. Submit a letter from a physician confirming that the resident is unable to move his or her carts to the curb for collection, and that, to the best of the physician's knowledge, there is no other capable person living with the resident to move his or her carts to the curb (will be required annually).

Residents who qualify for Cart Walk Out Services are also eligible for WM's Household Hazardous Waste Home Collection Program. For more information visit www.home.com/Oceanside.
