

WM and the City of Oceanside are dedicated to providing exceptional services including landfill (solid waste), recycling and food scraps. These services help you recycle more and waste less. In Oceanside, recycling and food scraps services are more affordable than landfill services, thus creating added savings when landfill services are minimized.

2026 WM COMMERCIAL AND MULTI-FAMILY RATES

The rates below apply to the most commonly provided commercial and multi-family services.
Additional sizes to fit your needs may be available.
Contact OceansideZeroWaste@WM.com to request technical assistance.
