## CONTAMINATION & OVERAGES

Contamination happens when non-acceptable items are placed in your recycling or organics carts. When non-acceptable materials mix with recyclables or organics, it can prevent the entire load from being properly processed.

To avoid contamination and overage charges\*, follow your sorting guide and only place approved items in each cart. Keep lids fully closed by not overfilling your containers. Proper sorting ensures your materials can be recycled or composted into new products, keeps your service running smoothly, and helps you avoid additional charges.

- ✓ Never bag your recyclables and organics, always keep them loose.
- ✓ Break down boxes to avoid overfilling.
- ✓ Batteries, paint, cleaners, electronics and other hazardous waste never go in the trash  
**Visit the website below for recycling event dates.**

Visit [home.wm.com/san-joaquin-county](http://home.wm.com/san-joaquin-county) for information and resources.

Place your carts at least 3 feet apart and 3 feet away from obstacles to allow the automatic arm to lift and empty the cart. Place the wheels of the cart toward your house. Ensure carts are not overfilled and lids are fully closed to avoid potential overage charges.

\* Charge of 25% of the monthly rate will apply per incident. Repeat violations may result in an automatic cart size increase with an adjusted monthly rate.

## ADDITIONAL SERVICES

### Bulky Item Collection

WM offers one bulk collection per year. In celebration of Earth Day, WM will collect bulky items curbside the second week of April. Visit [home.wm.com/san-joaquin-county](http://home.wm.com/san-joaquin-county) for bulky item collection date.

### Annual Bulky Voucher

Each year, WM mails one bulky waste voucher to every single-family home in San Joaquin County. This voucher allows residents to haul one load of bulky items and garbage to the Central Valley Waste Station at no cost. Load must be properly tarped.

### Recycling Events

Never place e-waste and Household Hazardous Waste (HHW) in your recycling container, it's a safety hazard. WM holds e-waste and HHW events four times per year at Central Valley Waste, 1333 E Turner Rd. Lodi, CA 95240. Visit [home.wm.com/san-joaquin-county](http://home.wm.com/san-joaquin-county) for dates.

### Senior / Low-Income Discounts

Eligible seniors 65 years or older and eligible low-income residents may qualify for a discounted rate. To review eligibility requirements and apply. Visit [home.wm.com/san-joaquin-county](http://home.wm.com/san-joaquin-county).
