

Welcome to your **New** Trash & Recycling Carts

The State of California passed laws aimed at reducing the amount of recyclable materials going to the landfill. By recycling you are helping those materials to become something new.

WM is providing new gray trash and blue recycling carts to help with your efforts in keeping recyclables out of the landfill.

Every other week recycling calendars will be provided to every household with service.

What Belongs in the Recycling Cart place empty plastic and glass bottles, tubs and jars, metal cans, clean and dry paper and cardboard into your new blue recycling cart.

Plastic & Glass Bottles, Tubs & Jars

Metal cans

Keep recyclables loose.
No plastic bags in recycling.

Clean & Dry Paper & Cardboard
