Service Guidelines

Please place the wheels of each cart toward your house and your carts at least three (3) feet apart and three (3) feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to safely lift and empty your carts.

- Place all trash, recyclables, and organics material in the appropriate containers and make sure that the cart lid is closed.
- Have your carts at the curb the night before or no later than 6 a.m. on your collection day.
- Be aware that an additional charge of \$5.17 per bag will be applied if the household waste cart is overloaded or if extra bags are left for pickup. If you should have extra waste, please call WM so that we may alert your driver of the additional pickup.

Holiday Schedule

Collection does not occur on the following holidays:

**New Year's Day | Memorial Day | Independence Day | Labor Day
Thanksgiving Day | Christmas Day**

When a holiday falls on a weekday, collection will be delayed one day for the remainder of the week. If a holiday falls on a Saturday or Sunday, there will be no delay in service.

SB 1383: Statewide Mandatory Organic Waste Collection

Effective Jan. 1, 2022, all California businesses, multifamily complexes, and residences are required to separate organic waste from trash and subscribe to an organics collection program. Organics consist of food scraps, compostable food-soiled paper, and yard waste. SB 1383 was passed to divert more food waste and yard trimmings from our landfills to further reduce greenhouse gas emissions and slow climate change. For more information, visit www.iwma.com/sb-1383.
