

Make Yard Waste Collection Easy This Season

Just follow these simple guidelines for leaf and yard waste collection.

Leaf Collection

- **Bag Your Leaves:** Use paper compost bags only—plastic bags can't be accepted. Find paper bags at Lowe's, Menards, Target, and Walmart.
- **No Loose-Leaf Pickup:** Leaves raked into piles or bagged in plastic will not be collected.
- **Curbside Placement:** Set bags out by 6:30 a.m. on your regular service day without blocking trash or recycling carts.

Yard Waste Collection

- **Weekly Pickup:** Same day as your trash and recycling for five weeks starting in November.
- **Accepted:** Leaves, branches, brush.
- **Not Accepted:** Pumpkins, flower arrangements, straw/hay bales, cornstalks, dirt, sod, grass clippings.

Brush & Branches Collection

- **Bundle Properly:** Tie with string or twine (no metal).
- **Size:** Bundles must be 2 to 4 feet long, no larger than 18 inches in diameter, and under 50 pounds.
- **Count:** Each bundle counts as one (1) yard waste bag.
