# Bulky Waste Pickup

An easy and convenient way to dispose of items too big to fit in your curbside container.

As the holidays approach, you may find yourself dealing with more waste than usual. Fortunately, Fernley residents can take advantage of WM's convenient bulky waste disposal service.

This curbside service is available for an additional fee. Simply call WM customer service at 775-329-8822 to schedule a bulky item pickup. Acceptable items include mattresses, box springs, appliances, and furniture. Certain items, such as household hazardous waste, liquids, and electronic waste (including TVs, monitors, computers, printers, microwaves, etc.), are not accepted. Be sure to inform the customer service agent of the specific items you wish to have collected when scheduling your appointment, as other limitations may apply.

Please note that if the driver is unable to collect the scheduled items but the service has been routed, a charge will still be incurred.

Schedule your pickup in advance of your regular collection day.

Hazardous waste, liquids, and electronic waste will not be accepted.

An additional fee will apply for the removal of Freon from appliances.

## A Way to Handle Everything Else

Located less than 3 miles from I-80, the Fernley Transfer Station offers local residents a variety of environmental solutions for managing seasonal or unexpected extra waste, available for an additional fee.

Customers can bring bulky items, construction debris, organic waste, recyclables, and general trash to the facility. The transfer station does not accept hazardous waste (items labeled toxic, poisonous, corrosive, flammable, or irritating) or universal waste (items containing mercury, lead, etc.) due to their potential harm to human health and the environment.

## Location

Fernley Transfer Station  
1100 US Hwy 95A S  
Fernley, NV 89408

Monday - Sunday: 8 a.m. to 6:00 p.m.  
Closed from 12 - 12:30 p.m.  
(775) 575-7150

**Accepted Items:** Appliances with or without Freon, bulk roofing material, carpet padding, concrete, construction and demolition debris, dirt/soil (clean), furnitures, mattresses, box springs, metals, recyclables, municipal solid waste, organic/green waste, and wood.

## Stay in the Know: Get Ready For Unexpected Events

Extreme weather, road maintenance, and other unforeseen events can sometimes delay your service or affect curbside collection. When it happens, WM will provide same-day updates via phone, text, or email.

Many customers in the Nevada region have outdated contact information, which hinders our ability to deliver timely service alerts. Stay informed and update your contact information and communication preferences through the My WM app or at [wm.com/account](https://wm.com/account). Your information will not be used for unsolicited services, autopay programs, or sold to third parties.

Scan the code to learn how to manage your notification preferences.
