LYON COUNTY RESIDENTIAL WASTE SERVICE GUIDE

*A Toolkit to Manage Waste
Services Throughout the Year*

Hi There!

Dear Lyon County Resident,

We are thrilled to continue serving the waste disposal needs of your family and community. As we enter the new service term, there's much to anticipate. We're implementing changes to elevate the quality of our services at lower rates. We're also introducing community cleanup events, allowing you to dispose of extra waste at no additional cost.

This guide outlines the services you can expect and serves as a quick reference to help you navigate waste disposal throughout the year.

We are excited about the opportunity to grow and evolve alongside Lyon County.

To stay informed about upcoming community cleanup initiatives, visit: home.wm.com/lyon-county.

Thank you.

MANAGING EXTRA WASTE

WM is committed to enhancing the cleanliness of Lyon County's neighborhoods by offering three alternative ways to dispose of extra waste at no additional cost.

Weekly Extra Waste

Residents can set up to six 32-gallon bags, small boxes, or bundles of extra waste for pickup weekly. Service is accessible for all, excluding 64-gallon customers. Items should be no greater than 3'x3'x3' and under 50 pounds.

Waste Vouchers

WM also offers one free voucher (enclosed in this package) to help customers dispose of up to four cubic yards of waste at one of our transfer stations.

Neighborhood Cleanup Program

Residents will receive two stickers to dispose of one bulky item curbside during each cleanup event week, on their regular service day.

Week of July 14

Week of Oct. 14

Only eligible and stickered items will be collected: one chair, couch, washer, dryer, water heater, tires (four), box spring, or mattress.
