

Lovington Trash Service

JANUARY 2020

Waste Management of New Mexico (WM) is proud to be the designated trash collection provider for all residents and business within the city limits of Lovington. This flyer includes information about your weekly trash services, contact information and other important information.

CURBSIDE SERVICE

- Residential trash collection is one time per week. Collection schedules are posted at home.wm.com/lovington.
- Place your trash cart at the curb by 6:30 a.m., even if the truck normally comes later in the day.
- Position your cart at least four feet from other objects including parked cars, mailboxes, fences, overhead lines and other obstacles that may prevent our team from safely accessing and servicing the cart.
- Ensure materials are bagged and fit in the cart with the lid closed, so that they do not fall out on the street during service.

COMMERCIAL SERVICE

- Please ensure all trash is bagged and fits in your dumpster with the lids closed. Do not leave bags on top of lids or on the ground in the enclosure.
- Keep all flammable or combustible items out of your trash dumpster. This includes batteries, oil, propane tanks, chemicals or empty containers with trace chemicals. Even small amounts of chemicals can start a fire in your dumpster or in our truck.
- Enclosures should be clean and free of obstructions, so our team can safely service you.

CONTACT US

2020 Trash Collection Info

JANUARY 2020

2020 OBSERVED HOLIDAY SCHEDULE

During a holiday week, service will be delayed by one day for all collection days that fall on or after an observed holiday. Normal schedules will resume the following week.

- **New Year's Day** (Wed., Jan. 1, 2020)
- **Memorial Day** (Mon., May 25, 2020)
- **Independence Day** (Fri., July 4, 2020)
- **Labor Day** (Mon., Sept. 7, 2020)
- **Thanksgiving Day** (Thurs., Nov. 26, 2020)
- **Christmas Day** (Fri., Dec. 25, 2020)

BULKY WASTE PICKUP

- Households can schedule one bulky waste pickup one time per month for a fee.
- Contact Waste Management at **575-392-6571** to schedule a bulky waste pickup.

Bulky Waste: This refers to large household items such as appliances, discarded furniture, swamp coolers, hot water heaters, yard waste and other items that are not suitable for normal collection or do not fit inside a curbside cart with the lid fully closed. Bundled and bagged material is limited to three items per bulk waste collection. Note: Each bundle should not exceed 4-feet by 4-feet by 2-feet, weigh more than 75 pounds or comprise more than two square yards of space. Bulky item collection does NOT include any appliances with Freon, construction debris, dirt, rocks, concrete, vehicle tires or any hazardous or flammable waste.
