Dear Middletown Township Resident,

WM is proud to provide the township with automated collection of your waste and recyclables. Automated collection uses a cart system to reduce litter and keep the community clean. Delivery of new 96-gallon carts for trash and recycling will begin in December to each residence. Please use them starting January 6th.

Beginning January 6, 2025, your waste and recycling collections will be on the same day each week. Your new collection day for the week is printed on the front panel of this brochure.

Service Guidelines

Place your carts at least 3 feet apart and 3 feet away from any obstacles to allow the automatic arm to lift and empty the cart. Place the wheels of the cart toward your house.

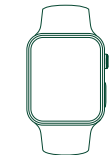

Recycling Cart - Please place recyclables directly into your cart and break down cardboard. **Do not bag recyclables.** No material outside the cart will be collected.

NOTE: If you already have a Township issued recycling cart, you can choose to use it instead of the WM Recycle cart, but **ONLY 1** cart may be put out for collection.

Trash Cart - Please bag trash and tie bag before placing it inside your cart. No material outside the cart will be collected.

Your service time will also change - Please have your carts at the curb the night before your collection day.

Additional Cart Services

WM offers additional cart services to Township residents who generate more waste or recycling each week, than their 96-gallon cart can hold. Additional carts are available at a fee of \$12.00 per month each, billable to you by WM. Residents wanting an extra 96-gallon trash cart or 96-gallon recycling cart must contact WM to setup the service.

Bulk Item Collection – Once-a-Month **ONLY** – See calendar for **NEW** schedule.

- Residents are permitted to dispose of two (2) bulk items monthly on their collection day.
- Bulk item examples include furniture, mattress, box spring, bookshelves, chairs, etc. Mattresses and box springs must be plastic wrapped for pickup. Items too large to fit in the cart or an extra bag of trash, can be collected as a bulk item.
- Construction debris is considered a bulk item, and may include drywall, lumber (including pressure treated) and shingles. One (1) container or bundle is a bulk item and must be less than 50 lbs. each. Bundles cannot exceed 4 ft X 4 ft X 2 ft in size.
- Carpet and padding rolls (4 rolls = 1 bulk item) are acceptable when cut into 4 ft width, rolled and bound, less than 50 lbs. total per collection.
- Major appliances are acceptable for pickup, including washer, dryer, stove, dishwasher, water heater, etc. All liquids must be removed before collection.
- Refrigerators, freezers, air conditioners and dehumidifiers contain Freon/CFC gases. These items **MUST** be pre-scheduled for collection as a bulk item. CFC appliances that are not scheduled, will not be removed.

Yard Waste – **Weekly Collection** – January 1-31, April 1 through December 31.

- Yard waste is collected each week on your regular collection day, except in February and March.
- During January, residents may place out their Christmas tree for collection as yard waste. Artificial trees, tree stands, decorations, lights or garland are **NOT** permitted. **Do Not Bag** your tree.
- Each resident is allowed to place yard waste in bundles, paper yard waste bags, or well-marked containers. **Do NOT** use wire or plastic ties to bundle branches. Secure bundles of small branches or shrubbery trimmings with string.
- Yard waste includes grass clippings, weeds, leaves, small branches or shrubbery trimmings.
- Yard waste containing any plastic bags, trash or recycling items, will not be collected.

Household Hazardous Wastes and Electronics are **NOT ACCEPTED**.

Toxic chemicals, pesticides, oil-based paints, automotive batteries, fuels or fluids must be disposed of properly. Under PA State Law, TVs, computers, laptops, monitors, cell phones, electronics or their batteries cannot be collected. Please refer to the Bucks County Recycling website below for information for proper handling.
