

Always Working For A Sustainable Tomorrow®

Important Service Change Information

January 2025

Dear Del Webb-The Woodlands Resident:

WM and Del Webb the Woodlands are changing the recycling collection within your community from weekly to every other week collection.

Beginning Tuesday, February 11, 2025, your new collection schedule will be as follows:

Waste Collection Day

Your weekly waste collection will remain on **Tuesday**.

New Recycling Collection

Your new recycling collection will be every other Tuesday. The first every-other-week Tuesday collection will be **Tuesday, February 11, 2025**.

Service Guidelines

- Please have your items out for collection by **7 a.m.** each service day.
- Please place your cart behind the curb at least 3 feet from all objects, including your mailbox, car or trees. Avoid placing your carts, yard waste, or bulk items on the road, as it obstructs traffic.

Bulk Collection

Collection will remain on the **first Tuesday of every month**.

Acceptable Bulk Items

Bulk items are those that are too large to fit into your cart. Examples include tables, chairs, and dressers. When handling furniture, such as pieces with fabric or mattresses, make sure they are wrapped in plastic and sealed with duct tape. For carpet, it must be cut, rolled, and tied in four-foot lengths, and each roll cannot weigh more than 40 pounds.

Additionally, bagged yard waste like grass clippings, leaves, branches, and tree trimmings should adhere to the following guidelines: branches and tree trimmings that are three inches in diameter and up to four feet in length must be bundled and tied. The total weight of these bundles should not exceed 40 to 50 pounds.

Thank you for entrusting WM to serve your community's collection and disposal needs. We appreciate your patience and apologize for any inconvenience the service change may cause.

Sincerely,
WM
