Waste Management will be attending the 2011 AHE Annual Conference and Healthcare Marketplace.

Orlando, Florida — Sept 25-28, 2011 — The Association for the Healthcare Environment is hosting their annual conference. Waste Management will be in attendance. Waste Management will be hosting a tradeshow display located at booth 801 and representatives of Waste Management's healthcare group can guide you to a host of sustainable solutions that minimize waste, safeguard patients and staff, and optimize savings in every area of operation. This event is beneficial for all individuals working in the healthcare environmental services profession.

Waste Management is hosting a dinner meeting to review our sharps recycling program. Please contact your Waste Management representative for details.

Charlotte Smith, Waste Management along with Jerone Cecelic, AVP of HCA will be presenting a breakout session titled, "A Pharmaceutical Waste Program that works for you" on Monday, September 26th at 11:00 am. This program will provide details on HCA's pharmaceutical waste program.

ABOUT WASTE MANAGEMENT

Waste Management, Inc., based in Houston, Texas, is the leading provider of comprehensive waste management services in North America. Through its subsidiaries, the company provides collection, transfer, recycling and resource recovery, and disposal services. It is the largest recycler in North America and a leading developer, operator and owner of waste-to-energy and landfill gas-to-energy facilities in the United States. The company's customers include residential, commercial, industrial, and municipal customers throughout North America.
