## Waste Management of Antelope Valley Reminds Customers of Thanksgiving Holiday Schedule

Trash and recycling services delayed one day in observance of Thanksgiving

**ANTELOPE VALLEY – Nov. 17, 2016** – Waste Management of Antelope Valley's curbside residential trash and recycling and commercial pick-up schedule will be delayed by one day beginning on Thursday, November 24, and through the remainder of the week, in observance of Thanksgiving.

Customers who receive service on Thursday are being asked to place their carts out for service on Friday, and those who receive service on Friday should place their carts out on Saturday. All Waste Management customers in the following cities/areas who receive service on Thursdays and Fridays will receive service one day later than usual Thanksgiving week.

- Lancaster
- Palmdale
- Communities in unincorporated areas serviced by Waste Management

All local Waste Management operations will be closed on Thursday, November 24, with normal operations resuming on Friday, November 25. Customer service is available at 661-947-7197.

### ABOUT WASTE MANAGEMENT

Waste Management, based in Houston, Texas, is the leading provider of comprehensive waste management services in North America. Through its subsidiaries, the company provides collection, transfer, recycling and resource recovery, and disposal services. It is also a leading developer, operator and owner of landfill gas-to-energy facilities in the United States. The company's customers include residential, commercial, industrial, and municipal customers throughout North America.
