

Services & Information

FREE RECYCLING & COMPOSTABLES COLLECTION - 2 YARDS OR LESS

Businesses generating two (2) cubic yards or less of trash a week (defined as Small Business) are eligible for free recycling and compostables collection – for a total of 264 gallons in separated materials.

REDUCED RATE RECYCLING & COMPOST - 2 YARDS OR MORE

For businesses that generate more than two (2) cubic yards of trash per week, compostables and recycling services (defined as Large Business) are available for 50% of regular garbage rates. Waste Management is the exclusive provider of this one-stop shop collection service.

FREE INDOOR RECYCLING & COMPOSTABLE CONTAINERS

To assist you in your recycling efforts, the City of Emeryville is offering free indoor containers (while supplies last). Contact the City of Emeryville (below) to get your containers.

FREE WASTE ASSESSMENT

Determine the most cost-effective solid waste management options with a free on-site assessment from Waste Management. Select right-size containers for trash, recycling & compost to save your business money (contact below).

FREE BATTERY COLLECTION FOR CUSTOMERS WITH GRAY RECYCLING CARTS

Place household batteries (AAA, AA, B, C, D & small button batteries), including rechargeable and cell phone batteries in a clear plastic bag, seal shut & tape to the top of the gray recyclables cart.

All other customers please visit WM.com.

LAMPTRACKER PROGRAM TO RECYCLE CFL BULBS

To protect your health and the environment, California law requires compact fluorescent light (CFL) bulbs be properly disposed. WM offers a simple solution. Collect bulbs in LampTracker's Mercury VaporLok bag and mail them back in the provided pre-paid postage box. It's that easy. Visit www.wmlamptracker.com.

STOPWASTE

StopWaste has answers to all your recycling/disposal questions. Remember plant debris and food scraps is banned from trash containers. Please use your compostables collection container provided by WM – it's easy with WM's composting collection service. Visit StopWaste.org or Emeryville.wm.com for more information.

Holiday Schedule: Thanksgiving, Christmas, New Year's Day. When holiday lands on weekday, collection will be one day later for rest of week.

See inside for tips on what is Recycling, Trash or Compost.

TRASH

Coated paper (with surface sheen) such as cups, plates or cardboard boxes, belong in trash only. (Paper beverage cartons may go into recycling)

Snack & Chip Bags, Candy Wrappers

Asceptic (Mixed Material) Drink & Beverage Cartons, Boxes & Drink Pouches

Plastic Wrap, Bags & Other Plastic Film

Polystyrene Foam & Packaging

Coated Paper Cups/Plates, To Go Containers, Wax-lined Food Cardboard Boxes

Disposable Gloves & Hairnets

Hoses, Cords & Wire (Electrical wires are e-waste. Refer to Hazardous Waste Disposal Information)

Broken Glass & Dishes (Please Wrap)

Plastic Cups & Lids, Utensils, Straws, Clam Shells, Deli Containers & Hangers (Including "compostable" plastic serveware)

RECYCLE

Please empty all containers prior to recycling. Do not bag recyclables.

Clean Paper, Magazines, Newspaper, Cardboard, Junk Mail, Paper Beverage Cartons (no other coated paper items)

All Metal Beverage & Food Cans, Empty Aerosol Cans, Clean Aluminum Pans & Foil

Glass Bottles & Jars (Even broken)

Empty Plastic Bottles, Rigid Plastic Containers (Lids should be left on or placed in trash)

Have a question about where you can recycle an item? Check out www.resource.stopwaste.org or call Stopwaste's Recycle Hotline at 1-877-STOPWASTE.

COMPOST

No coated paper (with surface sheen) such as cups, plates or cardboard boxes. No "compostable" plastics.

Food Scraps, Including Egg Shells, Meat & Bones

Food Soiled Paper, Napkins, Paper Towels, Pizza Boxes, Cardboard Egg Cartons, Non-coated Take-out Containers & Paper Plates (No surface sheen), Shredded Paper

Coffee Grounds & Tea Bags

Yard Waste, Untreated Wood

No loose plastic bags are allowed in the COMPOST or RECYCLING containers. Commercial customers may use either clear bags (where the contents are visible) or BPI compostable bags to contain organic material.

Avoid an Overage Charge

Materials must fit inside a container with the lid shut for regular service or you may be charged.

Eliminating excess materials in containers helps:

- Minimize Service Delays
- Reduce Equipment Failure
- Decrease Litter
- Eliminate Safety Risks
- Prevent Animal Hazards
- Reduce Truck Fires

If you regularly have excess materials, call Customer Service at (510) 613-8700 to help you right-size your service.

Hazardous Waste Disposal

There is a drop-in program for Alameda County businesses that accepts: electronics and small appliances, latex paint, aerosol cans, fluorescent lamps, and household batteries. Visit www.stopwaste.org/at-work/business-hazardous-waste

For disposing paint only, visit Paintcare.org.

New Compost & Recycling Law

A new California state law (SB 1383) went into effect in January, 2022, to help keep compostable materials out of landfills. In Alameda County, the Organics Reduction & Recycling Ordinance is put in place to help residents and businesses comply with the regulations set by the state.

All businesses and multifamily properties must have compost and recycling collection service. Free or discounted services available. Waivers available for businesses not generating organic waste.. Call WM at 510-613-8700 to sign up for services.
