

MORE SERVICES

PLASTIC BAG-IN-BAG RECYCLING

Clean, flexible plastic bags, plastic stretch and bubble wrap can be recycled by placing materials in a single plastic bag, self-tying the bundle, and placing it in the recyclables container.

HOLIDAY TREE RECYCLING

Recycle holiday trees by placing them next to your containers beginning the day after Christmas through the end of January. No lights, tinsel, ornaments, flocking, or metal/plastic stands.

HAZARDOUS WASTE & USED OIL DISPOSAL

For the safe disposal of hazardous waste at designated sites, call: Monterey Regional Waste Management District at (831) 384-5313 or Salinas Valley Solid Waste Authority at (831) 424-5520 or Waste Management at (800) 321-8226.

To recycle used oil and oil filters call 1-800-CLEANUP to find a center near you.

MEDWASTE TRACKER

Help to protect our community from sharps injuries. Disposing of used syringes and lancets in the trash is illegal in California. Waste Management's MedWaste Tracker provides for the safe containment, collection, and destruction of used sharps. All in the convenience of your home with a pre-paid postage return box.

Available at www.thinkgreenfromhome.com

LAMPTRACKER PROGRAM

To protect your health and the environment, California law requires fluorescent light (CFL) tubes be recycled. Waste Management offers you a simple solution. Collect bulbs in LampTracker's Mercury VaporLok bag and mail them back in the provided pre-paid postage box. It's that easy.

Available at www.thinkgreenfromhome.com

FOOD SCRAP COLLECTION

1. SEPARATE

- Separate Food Waste while preparing meals, scraping plates and cleaning the fridge.

2. COLLECT

- Use a reusable plastic tub, paper bags or a BPI or ASTM certified compostable plastic bag.
- Include food scraps, food-soiled paper, such as BPI or ASTM certified compostable cups or plates, coffee filters, tea bags, napkins, and paper towels.

3. COMPOST

- Empty into food scrap collection cart or bin.

Composting your food waste diverts organic materials from the landfill, helps fight climate change, and creates a valuable soil amendment for local vineyards and orchards.
