

MCCOURTNEY ROAD TRANSFER STATION CONTRACTOR INFORMATION

BEFORE YOU ARRIVE:

SORT YOUR MATERIALS PRIOR TO ARRIVAL

WOOD

INSULATION

CONCRETE

YARD WASTE

SAVE TIME. STORE YOUR VEHICLE WEIGHT

If you frequently access the transfer station, ask the gate attendant to “tare” your vehicle. This process saves your vehicle's weight in our system so you don't have to get weighed on the way out.

OPEN A CREDIT ACCOUNT

Get through the gate faster by opening an account with Waste Management. Visit NevadaCounty.wm.com and click on Construction Services tab on the left side.

SAVE TIME. CONSIDER A ROLL-OFF

Free up time to complete your projects and let us haul your debris. No more time wasted driving to McCourtney Road or or waiting in line to unload your debris. We offer competitive prices to deliver and haul away a roll-off dumpster to your job site. We have 20-, 30- and 40-foot roll-off dumpsters available. Call the number below for additional information.
