

# BUTTE COUNTY RECYCLER

SPRING 2023

## BATTERY RECYCLING UPDATE

### Correction to Previous Instructions

In our last newsletter, we mistakenly instructed customers to secure used batteries in a sealable plastic bag and place on top of the recycling cart for proper disposal.

Instead, please take batteries to the Butte Regional Hazardous Waste Facility at 1101 Marauder Street in Chico. The facility is open every Friday from 9 a.m. to 1 p.m. and every Saturday from 9 a.m. to 4 p.m.

If you're making a trip to the facility, don't forget you can also dispose of other household hazardous waste such as paints, pesticides, fertilizers, automotive liquids, pool chemicals, fluorescent light bulbs, pharmaceuticals, medical sharps and electronic waste.

Disposal of all items listed above are free.

## CARDBOARD RECYCLING

Do you have more cardboard than can fit in your recycling cart?

WM provides free disposal of cardboard at our North Valley Disposal facility at 2569 Scott Ave., Chico. The cardboard drop off is to the left of the main office and is open Monday to Friday, 8 a.m. to 4 p.m. Please have boxes broken down.

## ORGANICS RECYCLING UPDATE

Please continue to place only yard debris in your yard waste cart. WM and Butte County continue to finalize plans for a location to process organics. As a result, we cannot begin collecting food scraps and food-soiled paper.

Once a location has been finalized, WM will begin an extensive outreach campaign to make sure you're aware of any changes.

Thanks for your patience!

### SERVICE UPDATE: HOLIDAY REMINDERS

WM **WILL** have curbside collections on the following holidays:

#### MEMORIAL DAY

If your collection day falls on this holiday, **please set out carts as normal.**
