

Multi-Family Bulky Item Collection Program

Waste Management and the City of Irvine now offer routed bulky item collection for apartment and condo complexes of (4) units or more.

To participate, property managers must complete and submit this form. One application works for the entire complex, and residents do not need to submit individual applications or collection requests. WM will donate as many of the collected items as possible.

Typical bulky items include:

- Appliances
- Furniture
- Clothing
- E-waste
- Televisions
- Computers
- Mattresses
- Scrap wood
