

Services & Information

YARD AND FOOD WASTE SERVICE

Winters residents can now recycle their yard and food waste in one cart. Please help divert compostable items from the landfill and place food scraps in your green waste cart (brown lid). This cart can also be used to dispose of yard trimmings. Waste Management will service this cart every other week.

YARD WASTE STREET PILE AND STREET SWEEPING

Street pile collection and street sweeping will continue to be offered weekly from November through January and once a month at all other times. Street sweeping will occur on Tuesdays alternate North and South side of Grant Ave. Please refer to your collection calendar or visit sacramentovalley.wm.com to view a collection calendar online. Yard waste should not be more than three (3) feet in its longest dimension or six (6) inches in diameter or weigh more than fifty (50) pounds. Oversized Yard Waste such as tree trunks and branches with a diameter of not less than four (4) inches and not more than two (2) feet and a length of not more than five (5) feet in its longest dimension.

FREE CURBSIDE BULKY PICKUP

Each customer account can receive one free curbside bulky pickup per year. Pickups occur one Monday a month and are by appointment only. Please call 530-795-1201 one week ahead of your desired pickup date to schedule service. Please note: Only 4 cubic yards per pickup. Items must be on the curbside by 5 a.m. Please indicate items to be picked up when booking appointment.

BULKY WASTE DROP OFF

Residents can bring their bulky items along with the bulky waste voucher that was mailed in January, to the Yolo County Landfill. 5 cubic yards of bulky items allowed at no cost. Five cubic yards is the equivalent of a full size pickup truck bed, van or small trailer. Items accepted in the bulky program include appliances, mattresses, wood, furniture and electronic waste such as light bulbs, computers, cell phones and televisions. Household Hazardous Waste (HHW) and tires are also accepted but have specific disposal requirements. HHW can only be disposed of at the landfill and tires can only be disposed of during curbside pick up.

HOUSEHOLD HAZARDOUS WASTE (HHW)

Household hazardous waste is any product labeled toxic, poison, corrosive, flammable, combustible or irritant. HHW items include paint, batteries, oil, and pesticides. HHW is accepted monthly (Friday and Saturday, 7:30am-3:30pm) at the Yolo County Landfill. Please visit yolocounty.org or call 530-666-8856 for specific dates and information.

BACKYARD COLLECTION

Carts can be collected from backyards for an additional fee, or no fee for qualifying disabled individuals. Customers who qualify for this service must reapply each year. Call (530) 795-1201 for details.

Cart Set Out and General Information

- Wheel carts to curb by 5:00 a.m. on your collection day. Carts should be placed side-by-side at least 3 feet apart and 3 feet away from objects such as parked cars and mailboxes.
- Do not overload carts; lids must close. Overage fees may apply if overflowing.
- Sort properly (see inside). Garbage mixed in Recycling and/or Green Waste carts may be subject to contamination charges.
- Holiday Schedule: New Year's Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day. When holiday lands on regular collection day, collection will be one day later for rest of the week.

Think Before You Throw. Reduce and Reuse.

Keep reusable materials out of the landfill to minimize negative environmental impacts and recycle food scraps and yard waste to reduce greenhouse gases.

For example, donate gently used items to a non-profit organization, a second-hand store or clothing drive.
