

UNACCEPTABLE COLLECTION ITEMS

Please contact the County for the scheduled HHW collection days located at Cal Sierra Disposal.

Electronic waste

Medical waste

Fluorescent tubes & CFLs

Batteries & mercury waste

Household hazardous waste (HHW)

CART PLACEMENT

- Do not overfill your carts. Lids must remain closed.
- Roll your carts within 10 feet of the curb or roadside with the handles facing away from the street.
- Place carts **three feet away from each other** and **six feet from other objects** such as cars, basketball hoops and mailboxes.

COMMERCIAL RECYCLING

Waste Management offers businesses the ease and convenience of single stream recycling in a simple and effective program.

Program Highlights

- Curb your business expenses and save money by reducing your trash service.
- Add a 65 or 95-gallon recycle cart to your basic collection service for a minimal cost.

Call Cal Sierra Disposal today and we can help you find the right service to fit your business needs.

RESIDENTAL SERVICES

Welcome to Sonora's residential trash collection and recycling program! Designed with you in mind, this trash collection and recycling system is a convenient and effective way to manage your waste.

More importantly, this program helps our environment through conserving natural resources, energy, and reducing air and water pollution.

Program Highlights

- Sturdy, easy to use wheeled carts with color coded lids. **Trash cart lids are black and Recycling cart lids are blue.**
- Base residential service includes:
 - One (1) 35-gallon trash cart.
 - One (1) 65-gallon recycling cart.
- Subscribers have the option to exchange the size of their base service carts. Upon request, trash carts may be exchanged for a 65 or 95-gallon cart, at an additional cost. Recycling service is available in a 35 or 95-gallon cart, upon request, and at no additional cost.
- Trash is serviced weekly. Recycling is collected every other week. Refer to your collection calendar for the service schedule.

This comprehensive package cannot work without one key player...YOU! Review this material to learn how you can play an active role in keeping the City of Sonora beautiful!
