

Stay Clear of Additional Charges

To avoid additional charges, keep your recycling containers clear of contamination and ensure all container lids are closed.

See reverse side for more information.

AVOID AN OVERAGE CHARGE

Materials must fit inside a container with the lid shut for regular service.

Eliminating excess materials in containers helps:

- Minimize Service Delays
- Reduce Equipment Failure
- Decrease Litter
- Eliminate Safety Risks
- Prevent Animal Hazards
- Reduce Truck Fires

If you regularly have excess materials, we're here to help you put a lid on overages. Call Customer Service at 209-369-8274 to help you right-size your service.

AVOID CONTAMINATION CHARGES – RECYCLE RIGHT

Only place allowable materials in your recycling and green waste/organics containers.

Only materials free of contaminants are recyclable.

Recycle only empty plastic bottles/containers, glass jars/bottles, and clean paper and cardboard.

No plastic bags. Place recyclables directly into your container.

Keep food and liquids out of the recycling.

(Where service is available)

Collect only yard trimmings and where permitted, food and food-soiled paper.

No plastic bags.

No plastic, glass, metal, treated wood, hazardous or pet waste.

Visit sanjoaquincounty.wm.com for recycling tips and more information.
