

SIMI VALLEY LANDFILL & RECYCLING CENTER

Landfill Tours

Environmental education is important to the communities we serve. The Simi Valley Landfill and Recycling Center has been operating for more than 40 years and promotes many sustainable programs that encourage you to become better stewards of the environment.

What am I going to see?

- Learn how we are creating GREEN energy from landfill gas for the community.
- Get an up close look at the Organics and Construction & Demolition Recycling Facility.
- Visit the trash area and understand why we need think twice before we throw things away.
- Visit our certified Wildlife Habitat Conservation Programs – Barn Owls & Pollinator Garden.
- Recycling Education – Are you ready to test your knowledge of what can go in a recycling container?

Landfill Tour Information

Tours are available the first two weeks of each month on **Tuesday, Thursday, or Friday between 9:00 am to 3:30 pm** (last tour starts at 3:30 pm). Tours are approximately one (1) hour. WM provides a 25-passenger bus for small and large groups.

Please Remember! Arrive 15 minutes early to avoid delays, **wear closed toe shoes**, and drinks/snacks ok on the bus.

The Simi Valley Landfill and Recycling Center is a certified Wildlife Habitat since 2007
