

**Think Green.®**

## **Community Benefits**

*Why the Modernization and Expansion Project is good for the community.*

**Maintains more than 275 good-paying jobs** in Ventura County

**Injects more than \$48 million** annually into the Ventura County economy

**Contributes more than \$3.6 million** to public agency budgets within Ventura County

**Improves recycling** options and increases environmentally-friendly programs

**Increases production** of enough green energy to power 6,250 local homes

**Establishes one of the first LEED facilities** at a landfill in the county by using recycled and sustainable building materials, energy-efficient lighting, green energy programs and recycled water

**Reduces truck traffic** on the Madera Corridor by moving local trucking operations to landfill

**Creates over 500 acres** for open space and wildlife habitats

**Provides charitable contributions** including annual sponsorships, service donations and employee volunteer support
